## Important Information for Our Patients

### Terms of Payment

The following is a guide to the terms of payment we accept. We are committed to working with you to match a payment plan to your needs; therefore we offer different options to our patients, which allows for payment to be convenient and flexible. We are available to answer any questions you may have.

### Dental Insurance

We will gladly assist you with your dental insurance plan. To help us assist you in determining your maximum benefit, please *bring your insurance card to your first visit*. Most plans cover only a portion of the dental fee, therefore as a courtesy to our patients we will file your primary insurance for you but we ask that you pay the non-covered balance at the time of service unless prior arrangements have been made. Please be aware some of the services provided in this practice may not be covered or considered reasonable and necessary under your insurance plan. Some of these procedures are: nitrous oxide, general anesthesia and possibly sealants. We will do our best to make sure you are aware of any charges which your insurance company may not cover.

If your insurance company has not paid within 45 days you will be billed for the unpaid balance and payment in full will be expected at this time. We recommend you become directly involved in communication with your insurance company in order to expedite payment.

### Payment Options

- We accept Visa, MasterCard, American Express, money order, cash, or personal check.
- A convenient interest free payment plan through an outside financial institution.
- A pre-authorized monthly payment plan on your credit card.

A fee of \$30.00 will be assessed for returned checks.

**Appointment Policy**

Appointments for pediatric dentistry are reserved for your child and may vary according to a child's needs and cooperation. We try to honor after school requests and ask that you help us by being understanding with our office staff when we need to appoint during school hours. We will gladly provide you with a school excuse for your child. As a courtesy, our office will attempt to contact you for confirmation 1-2 days before your appointment by phone. However, we do ask that patients assume responsibility for their appointment time.

Broken appointments or short-term cancellation (within 24 business hours) without proper notification can be costly and unfair to other patients who need appointments. Our office appointment policy has been established so that we will be able to serve you more efficiently.

1. **Sedation appointments** are very timely and of limited availability. **Missed sedation appointments without proper notification are not rescheduled.**
2. Any repeated broken appointments of any type may be subject to dismissal from the practice.
3. Late afternoon appointments are in high demand. It is only fair to other patients that any afternoon broken appointments be reappointed as the schedule permits.
4. We will try to work any late arrivals back into our schedule when time allows.
